Please ask Mr. Stern to put the parents of the child in direct contact with me. I intend to deal with this personally.

Dear Dr. Kelly,

I am writing to you as the friend of someone whose daughter lost her life in the Sandy Hook massacre in Newtown, CT. I have witnessed this pain. It is real.

I would like to add my voice to the thousands who condemn the efforts of Prof. James Tracy, a member of your faculty, to convince the world that the killings did not happen and that the entire event as a ploy by the government to advance the cause of gun control.
