Dear James:

The awarding of tenure is a serious consideration having long term effects upon an institution. The process is designed to assure that individuals receiving tenure meet or exceed university standards and can be expected to be productive teachers and scholars.

It is my great pleasure to inform you that you have been awarded tenure. At the May 28, 2008 meeting of the Florida Atlantic University Board of Trustees I certified that we had followed the procedures of University Regulation 5.006 (Tenure Procedures) and that you were being awarded tenure.

Congratulations and best wishes.

Sincerely,

A handwritten signature in black ink, appearing to read 'Frank T. Brogan', is written over a large, stylized circular flourish. Below the signature, the name 'Frank T. Brogan' and the title 'President' are printed in a standard font.

Frank T. Brogan
President
